Halloween Fun

On Friday, October 30, children may bring costumes to school. Please note that some “foundation” dressing can be done before coming to school; such as tights or other garments that can be worn under school clothes. Another option would be for students to put their costume on over their school clothes. Please make sure all accessories are in a bag with your child’s name on it. No weapons!

Our plan, weather permitting, is to have an school parade to Elroy Health Services, so the residents and staff may see the students.

Thank you for your cooperation and help in making this Halloween event a safe and successful one!
