

# ***Knights of Columbus*** ***St. Christopher Council #4295***

## **Scholarship Application**

The St. Christopher Council recognizes the financial burdens of continuing education beyond high school. The Council also recognizes the need for involvement in family, Church, school and community activities at all ages. The Council, therefore, is offering two \$500 scholarships to assist qualifying students with one half of the amount presented at the beginning of the first and second semesters of freshman year.

The selection criteria for the scholarships are as follows:

1. Applicant must be a graduating senior. Preference may be given to Catholic seniors.
2. Applicant must show that he/she will be attending a university or technical school in the fall. Preference may be given to those attending a Catholic institution.
3. Applicants show credible morals and goals.
4. Family membership in Council 4295 will be given preference in the event of two equally qualified applicants.
5. Financial need will be considered in the event of two equally qualified applicants.
6. Greater consideration will be given to students in the local area and in the event of two equally qualified applicants distributed between Royall and Wonewoc high schools.

Students interested in the scholarship must complete Scholarship Application form and enclose a copy of the first semester grades and documentation on continuing education. The application must be submitted by 28 February.
