Describe significant medical conditions that affect your child:

If your child has any health concerns that require special instructions, please speak to the nurse to discuss action plans.

Medication	Dose	Time Taken

The above information is correct to the best of my knowledge. Should changes occur, I will notify the school nurse to ensure appropriate understanding of my child's health status. This information will be shared with appropriate school staff to assure a safe environment for my child.

Parent Signature_____

Student Physician	Phone Number
Student Dentist	Phone Number
Student Health insurance:	

Student's Name: ______________________________________

Listed below are non-prescription medications that the nurse has available to give to students. Select the medications you allow to be given on an as needed basis. We hope that using these medications, as needed, will reduce absenteeism and student discomfort. If a student needs routine medications, or begins requesting these medications often, other arrangements must be made. The student then **<u>MUST have a Medication Request/Consent form completed prior to medication being routinely given at school.</u>**

Stock Medication	
I authorize Royall School District to administer the following over-the-counter medication based on package age/weight dosing guidelines, as needed. **(No chewable forms (other than antacids) will be available from the school – parents must provide).** **<u>Select all that apply</u>:** _____ Acetaminophen (Tylenol) _____ Ibuprofen (Motrin) _____ Tums/Antacid _____ Cough Drops _____ Antibacterial Ointment _____ Hydrocortisone/Anti-Itch Cream ______**No as needed meds to be given, I as a parent/guardian will supply any medications my child may need.**	
I herby give permission and authorize the Royall School District Staff to administer the above selected OTC Medication(s) based on package/weight dosing guidelines and release the district and employees from any liability claims as a result of the administration of the above selected medications.
